

2017 Cadwallader Doubles League Results

The 2017 “John Cadwallader Memorial” GETA Summer Doubles League is finished for another year. It was great to see the parking lots and courts filled each Tuesday and Thursday night at West Elmira and Ernie Davis Academy. A big thank you to all the captains, players, and tennis enthusiasts for making 2017 another very successful season.

In all, over 240 matches were completed (3,852 games; 509 sets of tennis). One hundred forty players on thirty teams played in the A and B divisions. Competition was at an all-time high with the playoff picture not finalized until the very last regularly scheduled matches were completed...

For me, when the doubles league finishes, I get a bitter sweet feeling. While I no longer have doubles league maintenance activities to do twice a week, it is an indication to me that the ending of the outdoor tennis season is fast approaching.

Here are the 2017 results:
